OPTIONS & EQUIPMENT

Diamond C MDT206 12' x 77" Tandem Axle Dump Trailer

Built tough for serious work the **Diamond C MDT206** is a premium-grade medium-duty tandem axle dump trailer designed for contractors landscapers and property owners who demand strength performance and reliability. With a rugged build and user-focused features this trailer is ready to handle demanding loads with ease.

Key Specifications & Features:

- **Frame Size:** 12' long x 77" wide (L12X77) for versatile load capacity.
- **Tongue & Frame:** Constructed with a heavy-duty 6" I-beam (8.5 lb) tongue/frame for exceptional durability.
- **Dump Body Frame:** Reinforced with 3" x 2" 11GA rectangle tube for enhanced structural integrity.
- **Crossmembers:** Built with 3" I-beams spaced 16" apart for solid floor support.

Dumping & Loading Features:

- **Hydraulic System:** Efficient power-up gravity-down operation with a three-stage telescopic cylinder for smooth lifting and controlled dumping.
- **Gate:** Standard 3-way dump gate gives you flexibility for loading spreading and unloading.
- **Ramps:** 60" rear slide-in ramps (made from 2" square tube) allow for easy equipment loading.
- **Jack:** Equipped with a 7K drop-leg jack for stable hitching and parking.

Durability & Design:

- **Sides:** Integrated **24" tall 12GA steel sides** with floor for strength and durability.
- **Fenders:** Weld-on **14GA teardrop diamond plate fenders** provide protection and a professional look.
- **Tarp:** Comes installed with an **18' heavy-duty black mesh tarp** for secure and legal hauling of loose materials.
- **Paint:** Finished in a sleek and resilient **Onyx Black** powder coat.

Tires Axles & Suspension:

- **Tires:** **ST225/75R15 radial tires** black 6-hole rims for durability and good road performance.
- **Axles:** Dual **6K drop axles** with **electric brakes** provide strength and stopping power.
- **Suspension:** 5-leaf **slipper spring suspension** ensures smooth towing under heavy loads.

Storage Power & Safety:

- **Battery:** Includes a dependable **Group 27 deep cycle battery**.
- **Pump Box:** Secure **steel hydraulic pump box** keeps vital components protected.
- **Spare Mount:** Convenient **passenger-side spare tire mount**.
- **Tie-Downs:** Features **(4) standard 1/2" D-rings** for secure cargo restraint.
- **Lights:** Full **LED lighting package** ensures high visibility and safety.

Finishing Touches:

- **Decals:** Branded with bold **MDT** decals.
- **Stake Pockets & Raised Front Board Brackets:** Enhance cargo capacity and load control.

Whether you're hauling gravel equipment or debris the Diamond C MDT206 delivers professional-grade performance with every load. Engineered for reliability and built to last it's the perfect blend of rugged utility and smart features.
