OPTIONS & EQUIPMENT

2025 Diamond C LPX207 — Built to Work as Hard as You Do
Now Available at TowTally Camping in Anderson CA

When you need strength versatility and premium construction in an equipment trailer the 2025 Diamond C LPX207 delivers. Designed for professionals and serious haulers this low-profile beast is engineered to handle demanding loads with confidence and ease. Here's what makes this trailer a smart investment:

Key Specifications & Why They Matter

- **Frame Size: L20' x 82"**

Spacious deck provides ample room for equipment or materials with an ideal width for safe transport.

- **Axles: (2) 7K Drop Axles with Electric Drum Brakes**

Lower deck height for easier loading plus reliable braking for safe towing under heavy loads.

- **Suspension: 6-Leaf Slipper Roller Springs**

Durable suspension that provides stability and performance on rough terrain.

- **Crossmembers: 3" I-Beam on 16" Centers**

Tighter spacing increases deck strength and load support minimizing flex and enhancing durability.

- **Frame: 8" x 10 lb I-Beam**

Heavy-duty beam construction offers robust structural integrity for long-term hauling.

- **Fenders: 3/16" Smooth Super Heavy Duty Steel**

Extra-thick fenders that resist dents and damage even with frequent equipment loading.

- **Coupler: 2-5/16" 21K Demco EZ-Latch (Adjustable Channel)**

High-strength user-friendly coupler for secure and easy hitching across different tow vehicles.

- **Storage: HD V-Tongue Toolbox with Lid**

Keep your tools and straps organized and protected in a weather-resistant box.

- **Jack: 15K Simol 2-Speed Drop-Leg Jack**

Heavy-duty jack allows quick effortless height adjustment—even under load.

- **Spare Mount: Passenger (Curb) Side**

Convenient accessible location for a spare tire ensuring you're ready for the unexpected.

- **Dove: 24" Diamond Plate with Cleats & Extra-Wide HD Flip Knee Ramps**

Improves the loading angle and traction for smooth safe equipment loading.

- **Ramps: Heavy-Duty Fold-Down**

Versatile and durable loading solution for a wide range of machines.

- **Floor: 2" Treated Wood Deck (20' Long)**

Weather-resistant and built to last perfect for harsh jobsite conditions.

- **Rub Rail: 2" x 3/8" with Stake Pockets & Pipe Spools**

Provides flexible tie-down options for securing any type of cargo.

- **Tie Downs: (4) 5/8" D-Rings**

Standard but strong — essential for safely anchoring loads.

- **Tires: ST235/80R16 Radial 14 Ply 8-Hole Black Wheels**

High-load capacity tires with a rugged look built for the long haul.

- **Paint: Carbon Metallic Gray**

Premium powder coat offers superior protection and a professional finish.

- **Lights: All LED**

Brighter longer-lasting lights enhance safety and visibility.

- **Decals: LPX Branding**

Subtle sharp badging marks this trailer as part of Diamond C's premium line.
