Why Choose the 2026 Forest River XLR Boost 2017B?

The **XLR Boost 2017B Toy Hauler** is designed for RVers who want to bring along ATVs dirt bikes side-by-sides or other toys without sacrificing comfort. Its **massive 4 837 lb cargo capacity spacious garage with patio setup** and **off-grid solar system** make it one of the most versatile toy haulers in its class. Add in residential-style finishes like the **fireplace porcelain toilet and French door refrigerator** and you have a toy hauler that's as luxurious as it is rugged.

If you're searching for a **mid-size toy hauler with premium construction full solar capability and the durability to handle year-round adventures** the 2026 Forest River XLR Boost 2017B is the perfect fit.
