SELLING FEATURES

2026 Travel Lite Up Country 550U-XS | Ultra-Light Hard-Side Truck Camper Built for True Adventure
The 2026 Travel Lite Up Country 550U-XS delivers the perfect balance of lightweight towing, hard-side protection, and off-grid capability in a compact truck camper design. Built with a wood-free Hydro-Lite aluminum structure and seamless one-piece roof, this unit is engineered for durability, reduced maintenance, and dependable performance wherever the road takes you. Ideal for backcountry travel, weekend escapes, or campground setups, it keeps camping simple, efficient, and comfortable.

Key Features & Advantages
- Ultra-light hard-side construction – **1,150 lbs dry weight**, compatible with many properly equipped half-ton and ¾-ton trucks
- Hydro-Lite wood-free aluminum framing – Resistant to rot, moisture intrusion, and long-term structural wear
- One-piece roof system – Enhanced leak protection and long-term durability
- Cabover bed + convertible dinette – Flexible interior layout with expanded sleeping versatility (up to 4 capacity)
- Wet bath with integrated shower – Onboard convenience for extended trips
- 12V compressor refrigerator – Efficient off-grid cooling with fast recovery
- Two-burner LP cooktop & stainless steel sink – Functional galley for everyday meal prep
- Tankless on-demand water heater – Continuous hot water without recovery wait times
- 18,000 BTU forced-air furnace – Reliable heating for extended seasonal camping
- Exterior shower station – Convenient for gear, pets, or outdoor cleanup
- Stereo system with indoor/outdoor speakers – Campsite entertainment built in
- Central monitor panel – Quick system status monitoring at a glance
- Backup camera pre-wire – Simplifies loading and positioning
- 30-amp shore power connection – Standard campground hookup ready
- 200W solar prep – Ready for future off-grid power expansion
- Manual detachable electric jacks – Easier loading and unloading
- Optional roof A/C and rear power awning – Upgrade-ready comfort options
