### SELLING FEATURES

#### 2026 Travel Lite Up Country XS 365U - Lightweight Adventure Starts Here

Whether you're heading off-grid for the weekend or exploring the backroads, the **2026 Travel Lite Up Country XS 365U** is built to go where larger RVs can't. Designed with lightweight aluminum construction and packed with practical features, this truck camper delivers comfort, convenience, and durability without the extra weight.

#### Features & Benefits

- **Ultra-Lightweight Design** – Weighing approximately **1,130 lbs dry**, it's ideal for many half-ton and larger pickup trucks while maximizing payload flexibility.
- **Comfortable Sleeping for Up to 4** – A front cabover bed plus a convertible dinette provides comfortable sleeping space for couples, small families, or guests.
- **Compact Yet Functional Kitchen** – Equipped with a 2-burner cooktop, 12V refrigerator, sink, and overhead storage so you can prepare meals wherever your adventures take you.
- **13-Gallon Fresh Water Tank** – Stay off-grid longer with onboard fresh water and the convenience of an outdoor shower.
- **Tankless On-Demand Hot Water** – Enjoy hot water when you need it without waiting for a traditional tank to heat up.
- **18,000 BTU Furnace** – Stay warm and comfortable during cool spring and fall camping trips.
- **Built Tough** – Durable aluminum construction is designed to handle rugged roads while keeping weight to a minimum.
- **Adventure Ready** – Features a monitor panel, backup camera prep, adjustable D-ring tie-down system, and 30-amp electrical service for added convenience and confidence on the road.

#### Why You'll Love It

The Up Country XS 365U is perfect for campers who want the freedom to explore beyond traditional campgrounds. Its lightweight design, efficient layout, and durable construction make it an excellent choice for weekend getaways, hunting trips, fishing adventures, or extended road trips without the hassle of towing a trailer.
