SELLING FEATURES

The Evolution D5 Series Maverick 2+2 PLUS is a premium, lifted 4-passenger electric vehicle designed for luxury neighborhood cruising, resorts, and golf communities. Manufactured by Evolution Electric Vehicles, the Maverick 2+2 layout features two forward-facing seats and two rear-facing seats. T...

OPTIONS & EQUIPMENT

Performance & Powertrain

The Maverick 2+2 PLUS is built on an automotive-style E-coated chassis engineered to withstand harsh environments. It swaps traditional lead-acid setups for advanced zero-maintenance lithium power:

- Power Source: 48V 110Ah Lithium-ion battery backed by a 6.3 kW AC motor.
- Speed & Control: Reaches a top speed of 40 km/h (25 mph) controlled via a 400A AC controller and an automatic electromagnetic (EM) parking brake.
- Drivetrain: Features a unique high/low two-speed transmission for navigating different terrains.
- Stance: Equipped with a rugged 3-inch factory lift kit aggressive front brush guard and 14-inch aluminum wheels wrapped in 225/55R14 silent off-road radial tires.

Premium Technology & Amenities

The "PLUS" tier distinguishes itself by incorporating automotive-grade digital integration that is typically an aftermarket addition on other carts:

- Infotainment: A center-mounted 9-inch multi-functional touchscreen displaying speed battery charge and gear selection featuring integrated Bluetooth FM radio and a crisp backup camera. It comes standard with Apple CarPlay and Android Auto capabilities.
- Audio System: A premium Evolution soundbar mounted overhead complete with multi-colour customizable ambient LED speaker lights.
- Cabin Comforts: Luxury two-tone high-back marine bucket seats an adjustable tilting steering column a foldable acrylic windshield with sliding AC ventilation and a luxury rear armrest with built-in storage.

Safety & Utility Features

Designed to be street-legal in many golf cart-friendly communities the D5 Maverick prioritizes road safety:

- Restraints: Heightened safety via 3-point over-the-shoulder safety belts for all four passengers.
- Visibility: Full LED lighting configuration including high/low beam halo headlights daytime running lights brake lights and side mirrors with integrated turn signal indicators.
- Awareness: Standard backup camera and a pedestrian noise warning box (with a dashboard mute toggle) for quiet neighborhood driving
